Current profession? _____

Last level of education achieved? _____

Monthly Payments

As deductions from credit card, for the 1st or the 15th of the month, on the 'Payment' page kindly indicate your preference.

Non-refundable fee

Registration includes a non-refundable fee of \$600 to cover administrative costs for diploma courses (\$300 for DynBC/DynHC Certificate Courses and General Arts/Science Program).

Refunds

Should a student need to withdraw from a program, refunds will be granted based on the Refund Policy. (for more on the Refund Policy see 'Notes' item 1)

Books

Note that the cost of books is not refundable; the texts belong to the student.

Apple iPod

Upon registration, all diploma students (3 and 4 yr) receive an iPod as part of their tuition package. Should a student withdraw, the cost of the iPod will be deducted from whatever tuition fees may be due back to the student, and the student keeps the device.

Banking Charges

A fee of \$20 will apply to all NSF checks, as well as to credit card transactions that are rejected and cannot be processed.

Note

All fees are subject to increase without notice. The HCH endeavors to limit any increases, but does not control increased costs of goods and services supplied and these extra costs may be passed on, as deemed necessary. Any increases will be applied starting in September or January to monthly or annual payments, as a one-time additional fee or arrangements can be made to have it added to the monthly fee payment.
